

TOA ADVANTAGE

TOA is one of the largest worldwide companies dedicated to the development, manufacture and distribution of professional sound, communication and security products.

TOA Global Headquarters
Kobe City, Japan

TOA Corporation was founded in Kobe, Japan in 1934. Today, TOA operates in over 100 countries worldwide.

TOA Canada Corporation was formed in 1990 as a complete sound solutions provider. In recent years our focus has expanded to include public address and voice communication systems for use in safety and security installations, as well as products for evacuation intercom and CCTV systems. TOA Canada Corporation offers complete solutions for all corporate and commercial audio communications and security surveillance requirements.
