

Concordia University, Montreal, QC

Concordia University (commonly referred to as Concordia) is a public comprehensive university located in Montreal, Quebec, Canada. Founded in 1974 following the merger of Loyola College and Sir George Williams University, Concordia is one of the three universities in Quebec where English is the primary language of instruction. As of the 2014–2015 academic year, there were 46,378 students enrolled at Concordia, making the university among the largest in Canada by enrolment.

Products Used

- M-9000M2: 9000M2 Series Pre-Amplifier
- DA-250D: Dual Power Amplifier
- WM-5225: Wireless Microphone (Handheld)
- SR-H2L: Line Array Speaker
- WT-4820: UHF Wireless Tuner

Purpose

The university needed to replace their aging audio system in their amphitheater where classes are held.

Challenge

The upgraded system needed to produce intelligible audio and be cost effective.

Solution

TOA devised a new system that included the SR-H2L Line Array Speakers that produced clear sound and had excellent directionality of focus on the listening area, propelled by the high quality WM-5225 mic system.

Feedback

The university is extremely happy with the performance of the newly installed TOA equipment.

About TOA Canada Corporation
