

Grey Rock Casino, Edmundston, NB

Located just outside of Edmundston, NB, Grey Rock Casino is a modern, state of the art casino, poker, bingo and dining experience!

Products Used

- DA-500F-HL: Multichannel Power Amplifier
- F-122C: Wide-Dispersion Ceiling Speaker
- M-864D: Digital Stereo Mixer
- Q-PE-304BK: Pendant Public Address Speaker
- M-9000M2: 9000M2 Series Pre-Amplifier

Purpose

The casino required a newly designed paging system that produces strong and intelligible sound.

Challenge

The TOA design team created a system using the PE-304 Pendant Speakers in open areas and the F-122 Wide-Dispersion Ceiling Speakers in non-public areas along with mixers and amplifiers. This combination of TOA equipment produced intelligible audio and blended in with the casino extremely well.

Solution

Working closely with the consultant and the TOA tech team, the most effective system was designed using the right TOA products.

Feedback

Another happy TOA customer! The client was extremely satisfied with the fantastic audio quality and the overall look of the installed TOA products.

About TOA Canada Corporation

TOA Corporation was founded in Kobe, Japan over 80 years ago. TOA operates in over 100 countries worldwide, with manufacturing facilities found in nearly every major market area. These facilities have a reputation for precision design and fabrication, resulting in a proven track record of TOA product reliability.
