Products Used

- M-9000M2 - 9000M2 Series Pre-Amplifier
- DA-250F Multichannel Power Amplifier
- SO-MIX-T-24V Remote Mixer
- H-2 2-Way Surface-Mount Speaker System
- H-1 2-Way Flush-Mount Speaker System

Purpose

Kokko required a high-quality BGM system installed in their new location.

Challenge

The customer had a very specific feel and look in mind for this high-end clothing establishment that needed to be met.

Solution

With the customer's requirements in mind, TOA recommended the H-2 and H-1 surface-mount speakers to fit the look they had in mind. The SO-MIX-T-24V remote mixer was also recommended for easy usage.

Feedback

The client was very happy with the installation. The TOA sound equipment produced exceptional audio quality while being unobtrusive.
