

Saint John Court Offices, St. John, NB

A new court building that is located in St. John, New Brunswick.

Products Used

- A-9120SM2 9000M2: Series Amplifier
- F-122C: Wide-Dispersion Ceiling Speaker
- DA-250FH: Multichannel Power Amplifier

Purpose

The new building required a reliable paging system installed to communicate throughout the building.

Challenge

TOA needed to ensure that their products were installed correctly. The sound quality in various rooms had to be tested as well.

Solution

Working closely with the consultant and the TOA tech team, the most effective system was designed using the right TOA products.

Feedback

Another happy TOA customer who is impressed by the sheer quality and reliability of TOA products!
