Products Used

- M-9000M2: 9000M2 Series Pre-Amplifier
- N-8000: intercom system

Purpose

An old YMCA was converted into a multi-cultural center and required a new reliable intercom system installed.

Challenge

The building is made up of 16 classrooms, a gym, a multipurpose room, and a running track. All of the rooms needed to be retrofitted and fit their budget.

Solution

The N-8000 intercom system was the perfect solution. The intercom is easy to use, reliable, produces intelligible audio and it fit the budget.

Feedback

The customer was extremely satisfied with the installation process and the excellent quality of the installed TOA products.
