BENEFITS OF REGISTERING MY PROJECT WITH TOA CANADA CORPORATION:

1. Potential discount/decrease in pricing to allow you to secure projects. (Based on multiple categories or TOA combined product bundles)
2. Based on your estimation or Probability of Close, TOA will review present stock levels to support your project. Therefore allowing you more timely shipments and decreased time of backorders.
3. Working closer with TOA Sales Managers in your territory. (i.e.: Demo of products, customer visits, literature, presentations, loaner equipment, etc...)
4. Factory direct design, consultation, and technical support.
5. Allowing you the protection you require.
6. All projects are held in strict privacy.

PLEASE CHECK THE APPROPRIATE BOX WHICH APPLIES TO YOUR PROJECT.

One Purchase Order Only
 Multiple Purchase Orders
 Other: _____
