Products Used

- DA-250F Multichannel Power Amplifier

Purpose

The school needed to power up its paging system to enable a louder and higher quality sound.

Challenge

Ensuring that the amplifier chosen was not an overkill and provided the power and functionality that the school required.

Solution

Using the multi-faceted DA-250F Multichannel Power Amplifier was decided to be the best option and was easily installed with the integration into the already existing paging system.

Feedback

The amplifier worked very well and the sound strength and quality was quickly noticed by the staff at the school.
