

Fort Calgary, Calgary, AB

The FCPS highlights exhibits, performs education programs, and rents out meeting space to make it an inviting place where people hear the story of how Calgary began, and come together to decide who we want to be.

Products Used

- WS-5325H Wireless Kit

Purpose

Fort Calgary preservation Society wanted to improve the sound quality in the theatre area and update their older wireless microphone.

Challenge

The challenge was to find a TOA wireless product that suits the space and events hosted in the theatre while being cognizant of their budget.

Solution

With the assistance of the TOA technical team, it was suggested that Fort Calgary should go with the WS-5325H Wireless Kit.

Feedback

The end result worked very well and the customer was happy that we met their budget.
