

L'Accueil Colombien, Winnipeg, MB

L'Accueil Colombien is a Seniors Residence in the Saint Boniface district of Winnipeg. It offers residents independent living options as well as a variety of amenities and services.

Products Used

- HX-5 Variable Array Speakers
- FB-120 subwoofer

Purpose

The management wanted to provide the residences with an upgraded entertainment area for their free time. They wanted an AV system that sounded great and functions well

Challenge

The entertainment room at this residence has very high ceilings and is a large open concept room. Providing high quality sound for the residents was very important to L'Accueil Colombien.

Solution

TOA proposed an AV system that encompasses a cable TV receiver so the residents can enjoy viewing sporting events including the Olympics and curling.

Feedback

This spirited and lively group of residents enjoy the sounds that are played through two HX-5W (Variable Angle Speakers) clusters, complimented with a subwoofer (FB-120W). The entertainment system makes their days more enjoyable and fun.
