

Seaspans, Vancouver, BC

Seaspans, located in both Vancouver and Victoria, BC, is an association of Canadian companies primarily dedicated in coastal marine transportation, shipdocking, ship escort, ship repair and shipbuilding services. They also offer commercial ferry, shipyard and bunkering services via affiliate companies.

Products Used

- F Series Wide Dispersion Ceiling Speaker

Purpose

Upgrade the communications system in their corporate head office including meeting rooms and boardrooms to address the needs of Seaspans's corporate communications.

Challenge

Ensuring the TOA products covered the facility effectively and that the speakers integrated well with other equipment.

Solution

TOA's Wide Dispersion Ceiling speakers were installed to compliment the room acoustics and offer a consistent sound pattern throughout.

Feedback

The speakers sounded great and the customer was satisfied.

About TOA Canada Corporation

TOA Corporation was founded in Kobe, Japan over 80 years ago. TOA operates in over 100 countries worldwide, with manufacturing facilities found in nearly every major market area. These facilities have a reputation for precision design and fabrication, resulting in a proven track record of TOA product reliability.

TOA Canada Corporation was formed in 1990 as a complete sound solutions provider, specializing in commercial audio, including, public address, voice communications, voice evacuation and emergency paging requirements. TOA Canada offers complete solutions for all corporate and commercial audio communications and intercom security requirements.
